To Whom It May Concern,

I am requesting copies of the most recent remedial/ investigative reports available for the following CERCLIS site for the purposes of a Phase I Environmental Site Assessment of an adjacent facility (1954 Baldwin Street) in order to determine the issues of environmental concern and extent of impact associated with the CERCLIS site and the remedial activities which may have been conducted to date to address the impact:

~Krodel Foundry  
35 Pearl Lake Road  
Waterbury, CT 06701  
EPA Id No. 145339958/ Site Id No. 0100203

Thank you,

Emily
